CONTINUING EDUCATION (CE) PROVIDER APPLICATION PACKET

Thank you for your interest in becoming a provider of continuing education (CE) for licensed marriage and family therapists (MFTs) and licensed clinical social workers (LCSWs) in California. This packet contains the following:

- CE Provider Requirements (FAQ's)
- CE Provider Application

As of January 1, 2000, the law requires MFTs and LCSWs to have 36 hours* of CE for each biennial license renewal. Business and Professions Code Sections 4980.54 (f)(1) and 4996.22(d)(1) states in part that licensees must take courses from accredited/approved schools or Board-approved providers, and course subject matter must be related to the MFT's or LCSW's scope of practice.

It is important that you read the CE Requirements for providers carefully, as it will be your responsibility as the provider to meet all Board requirements. Violation of these requirements could result in adverse action on your provider approval.

Please complete and return the application form, along with the non-refundable \$200 application fee (make your check or money order payable to the Board of Behavioral Sciences). Once the Board receives your fee and approves you as a CE provider, you will be issued a provider number valid for two years. You may begin offering CE credit to both MFTs and LCSWs after you are issued a provider number. The Board will not be approving individual courses. A valid provider approval enables you to offer any courses that meet Board criteria.

If you have any questions, please contact the Board's Continuing Education Unit at (916) 574-7869.

* Licensees who are renewing for the very first time, are required to take 18 hours of CE and 36 for each subsequent renewal.

- (2) Aspects of counseling or social work in which significant recent developments have occurred; and
- (3) Aspects of other related disciplines that enhance the understanding or practice of counseling or social work.

WHAT IS AN MFT'S SCOPE OF PRACTICE?

It is that service performed with individuals, couples, or groups wherein interpersonal relationships are examined for the purpose of achieving more adequate, satisfying, and productive marriage and family adjustments. This practice includes relationship and premarriage counseling. The applications of marriage, family, and child counseling principles and methods includes, but is not limited to, the use of applied psychotherapeutic techniques, to enable individuals to mature and grow within marriage and the family, and the provision of explanations and interpretations of the psychosexual and psychosocial aspects of relationships. (B&P §4980.02)

WHAT IS AN LCSW'S SCOPE OF PRACTICE?

It is a service in which a special knowledge of social resources, human capabilities, and the part that unconscious motivation plays in determining behavior, is directed at helping people to achieve more adequate, satisfying, and productive social adjustments. The application of social work principles and methods includes, but is not restricted to, counseling and using applied psychotherapy of a nonmedical nature with individuals, families, or groups; providing information and referral services; providing or arranging for the provision of social services; explaining or interpreting the psychosocial aspects in the situations of individuals, families, or groups; helping communities to organize, to provide, or to improve social or health services; or doing research related to social work. (B&P §4996.9)

WHAT ARE THE FEES RELATED TO APPROVAL?

- \$200 application fee (also good for first 2-year approval)
 - \$200 biennial renewal fee
- These fees are non-refundable.

WHAT DOES BOARD APPROVAL COVER?

A current, valid provider approval will cover any courses that meet Board requirements. There is no limit to the number of courses a provider can offer.

HOW LONG DOES BOARD APPROVAL LAST?

Approval is renewed biennially. Your application fee will cover the first two years' approval.

As a courtesy, three months before your expiration date, you will be sent a renewal notice. To renew, just send the bottom part of the notice along with the renewal fee to the Board.

THERE IS NO GRACE PERIOD. You are responsible for renewing your approval whether or not you receive the renewal notice.

WHAT IF MY BOARD APPROVAL EXPIRES?

If your Board approval expires, it immediately cancels and you will need to apply for a new approval. **Any course offered after your approval cancels will not count for CE.**

WILL MY PROVIDER APPROVAL BE LINKED TO MY PERSONAL LICENSE?

Yes. **If you as an individual are the provider**, any disciplinary action on your personal license (MFT, LCSW, LEP, PSY, etc.) may affect your provider approval, and any disciplinary action on your provider approval may affect your personal license.

CAN A PROVIDER APPLICATION BE DENIED?

Yes. Board approval will be denied for good cause, including:

- (1) a provider is convicted of a felony or misdemeanor offense related to the activities of a provider;
- (2) a provider, if a licensee, violates any laws or regulations relating to the practice of MFT, LCSW, or LEP; or

- (3) a provider makes a material misrepresentation of fact in information submitted to the Board.

A notice of denial will be sent to the provider and the provider will have an opportunity to appeal the denial to the Board's designee. Thereafter, if still not satisfied with the outcome, the provider will have a chance to appeal to a committee of the Board. The decision of this committee is final.

CAN BOARD APPROVAL BE REVOKED?

Yes. The Board may revoke its approval of a provider for good cause.

ARE COURSES APPROVED BY THE BOARD?

No, it is the provider's responsibility to ensure that courses meet Board requirements.

WHAT KINDS OF COURSES ARE ACCEPTABLE?

Any course relating to the MFT or LCSW scope of practice is acceptable. Courses can relate to direct patient/client care (theoretical frameworks, intervention techniques, etc.) or indirect patient/client care (legal issues, consultation, office management, insurance matters, supervision training, etc.).

CAN A COURSE BE OFFERED TO BOTH MFTs & LCSWs?

A course can be offered to both MFTs and LCSWs as long as it relates to both scopes of practice.

ARE ANY COURSES UNACCEPTABLE AS CE?

Courses outside the MFT or LCSW scope of practice are not acceptable.

The Board will be issuing your approval based on the sample

course information you submit with your application. Although the Board will not be approving individual courses, a provider application will not be approved if the course subject matter is outside the scope of practice.

WHAT IS A "SELF-STUDY COURSE"?

A self-study course is a course offered by a Board-approved provider, performed at a licensee's residence, office, or other private location. This includes listening to audiotapes or participating in self-assessment testing. Self-study courses must administer a test prior to issuing a record of course completion to the licensee. Licensees can earn up to one-third of their CE hours through self-study courses. **Please specify on the certificates you issue to our licensees if the hours were earned through self-study.**

PLEASE NOTE: AMENDED REGULATION REGARDING OBTAINING CE.

Effective February 1, 2003, licensees may obtain all of their hours of required continuing education through interactive, electronic means. This includes online, teleconferencing and videotape viewing.

WHAT IS THE SPOUSAL OR PARTNER ABUSE REQUIREMENT?

For renewals after January 1, 2004 all licensees will be required to complete a one-time course in spousal or partner abuse assessment, detection, and intervention strategies including community resources, cultural factors, and same gender abuse dynamics. There is no hour length specified for courses in 2004.

If the spousal or partner abuse course is taken on or after January 1, 2005, it must be at least seven hours. Licensees can use prior, equivalent

coursework or experience to waive this requirement, but it will not count towards the CE hours.

WHAT IS THE LAW & ETHICS REQUIREMENT?

For renewals after January 1, 2004, all licensees are required to complete at least six hours of CE in the area of Law and Ethics as a condition of **each renewal**.

WHAT IS THE AGING AND LONG-TERM CARE REQUIREMENT?

For renewals after January 1, 2005, those persons who began graduate study prior to January 1, 2004 must complete a three-hour continuing education course in aging and long term care. The course could include, but is not limited to, the biological, social, and psychological aspects of aging. Licensees can use prior, equivalent coursework or experience to waive this requirement, but it will not count towards the CE hours.

WHAT IS THE HIV/AIDS COURSE REQUIREMENT?

MFTs and LCSWs must take a one-time course in HIV and AIDS. This course must be at least 7 hours in length and taken during the licensee's first renewal period after the adoption of the CE regulations. Licensees can use prior, equivalent coursework or experience to waive this requirement, but it will not count towards the CE hours.

This coursework must cover the characteristics and method of assessment and treatment of people living with HIV and AIDS.

DOES EACH COURSE REQUIRE AN EVALUATION?

Yes. It is the provider's responsibility to ensure that each attendee completes an evaluation upon course completion. Evaluations do not have to be kept as part of the course records.

ARE ANY TESTS REQUIRED?

The only testing required by the Board is a post-test for self-study courses. Otherwise, testing during a course is not required.

HOW MANY HOURS CAN BE EARNED PER COURSE?

Each provider decides this. In general, licensees will earn one hour of CE for each actual hour of instruction. Lunch and breaks can be counted as hours of CE only if actual instruction outlined in the course syllabus is occurring during that time.

HOW MANY HOURS CAN BE EARNED FOR AN ACADEMIC COURSE?

WHAT ARE COURSE INSTRUCTOR REQUIREMENTS?

Providers are responsible for ensuring that instructors meet **at least 2** of the following criteria:

- (1) a current, valid license, registration, or certificate, free from disciplinary action, in an area related to the subject matter of the course;
NOTE: *If at any time an instructor's license is restricted pursuant to disciplinary action in California or any other territory, they must notify all approved providers that he/she is providing instruction for, BEFORE instruction begins or immediately upon notice of the decision whichever occurs first.*
